COMMITMENT  
BEYOND EXCELLENCE

# What we **Offer.**

---

Freightliner Logistics and Trading is a fast growing logistics service provider. Our prior rich expertise in the field helps us meet your distinct logistics needs and requests. We provide you with a trailblazing logistics services.

What do you want to be shipped? Flower? Medicine? Cars? Heavy Machinery or Chemicals? We can do it all . We know very well each item requires a special care. Moving a machinery needs a different organization and preparation from moving a food item. This awareness helps us in providing you with the finest service possible. If you entrust us with your logistics demands, we will execute it flawlessly to the tiniest of details.

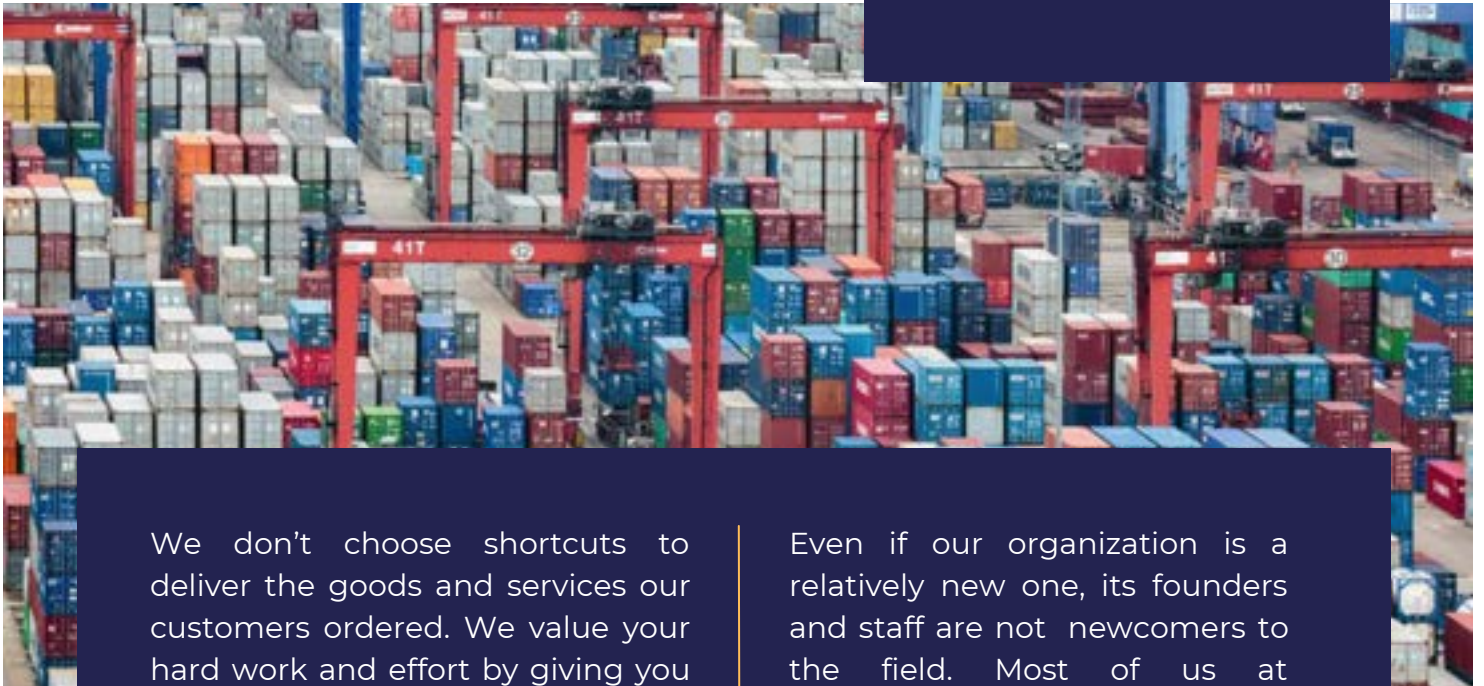

# About US

- Freightliner Logistics and Trading was founded in 2021. Despite the fact that we have been in business for just over a year, we have undertaken and successfully delivered several logistics projects for multiple organizations.

We don't choose shortcuts to deliver the goods and services our customers ordered. We value your hard work and effort by giving you the best service the logistics industry can provide. We put in our time, energy, expertise and passion to provide you with futuristic logistic services.

Even if our organization is a relatively new one, its founders and staff are not newcomers to the field. Most of us at Freightliner have been in the field for a long while. We understand the operations of logistics and supply chain management very well.

If it is movable, Freightliner can move it fast, safe and to the right address.  
**WE DELIVER LIKE NO OTHER.**

# Core Values.

---

**Customer Satisfaction:** At Freightliner, our most treasured assets are our customers. In any situation, we put our customers' needs first. We never consider a request from a customer as irrelevant. We put in our knowledge and effort to meet every request.

**Punctuality:** There are multiple factors for a business to stand out and be successful; punctuality being one of the major ones. The logistics industry is often criticized for unmet deadlines and broken promises. Freightliner will put in the utmost effort to deliver your goods on time.

**Loyalty:** We are aware loyalty is two-way traffic. If we win your trust in handling your business, we know you will be a loyal customer. We provide you with quality service as we realize it is the perfect way to create loyal customers.

**Integrity:** We have a strong devotion to moral principles which helps us keep the integrity of our organization. This is enforced by our observance of consistency, trust, accountability and doing business in a respectful manner.

**Innovation:** We have a strong devotion to moral principles which helps us keep the integrity of our organization. This is enforced by our observance of consistency, trust, accountability and doing business in a respectful manner.
